

**REMARKS**

Please reconsider the present application in view of the above amendments and following remarks. At the outset, Applicant thanks the Examiner for indicating that claims 2-9 contain allowable subject matter.

**Objections**

Claim 9 stands objected to for a minor informality. In this reply, claim 9 has been amended to remove the typographical error noted by the Examiner. Accordingly, withdrawal of this objection is respectfully requested.

Claims 2-9 stand objected to for depending on a rejected base claim. In this reply, claims 2, 5, and 6 have been rewritten into independent form. The remaining claims depend, directly or indirectly, from one of these claims. Accordingly, withdrawal of these objections and allowance of this application is respectfully requested.

**Rejection under 35 U.S.C. §102(b)**

Claim 1 stands rejected under 35 U.S.C. §102(b) as anticipated by Serizawa. Claim 1 has been canceled without prejudice or disclaimer in this reply. Accordingly, this rejection is now moot.
